

HOME LOAN PROCESS DOCUMENTS

STEP 1 - PRE-QUALIFICATION

Obtaining lender pre-qualification, prior to making an offer on a property, can be a sound strategy when buying a home. You'll have a better understanding of your preliminary financing options, as well as your price thresholds, when it comes to home shopping.

In competitive markets, sellers are also more likely to consider serious offers from buyers who have secured home loan pre-qualification, since there is a higher likelihood that the transaction will close. Sellers may be more willing to accept a buyer's offer when they know that a lender has already reviewed certain credit, and perhaps, qualifying loan documents essential to the transaction.

STEP 2 - FIND THE RIGHT AGENT

Finding the right real estate agent for your upcoming venture is of utmost importance. It is essential to find an agent who is looking out for your best interest. Friendly, caring advice from someone who knows the community and understands the ever-changing market.

STEP 3 - GET STARTED

Applying for a home loan will require you to submit several pieces of information to give mortgage lenders a clear picture of your financial history - both past and present. These items help verify the information on your application and are required to make a credit decision. It is very important that you submit these items as soon as possible to help expedite the loan process.

Use the checklist below as a guide to help you keep track of what you'll need to gather for your loan application.

NECESSARY DOCUMENTS

ITEM 1 - Pay Stubs

- The last 30 days of your most recent pay stubs are required.

ITEM 4 - Bank Statements

- Two months of bank statements are required to verify your funds to close and for reserves.

ITEM 2 - W2s or 1099s

- Last two years of W2s or 1099s are required to show income earned and what can be used to qualify (all pages).

ITEM 5 - Deposit

- Large deposit and credit inquiry letters (signed - if applicable).

ITEM 3 - Federal Tax Returns

- Last two years of signed Federal Tax Returns and all schedules are required to show income earned and what can be used to qualify (all pages).

ITEM 6 - Identification

- State issued identification, such as a driver's license, ID card or US Passport.

HOME LOAN PROCESS OVERVIEW

STEP 1: APPLICATION

You can start the process by filling out an application online, giving us a call, or even stopping by one of our branches. Together, we'll evaluate your financial details to find the most beneficial home loan solution.

In order to provide you with the best financial benefits, we get to know your unique situation and financial goals. This involves looking at various pieces of information from your financial history. After we get a clear picture of finances, we'll match your goals to a home loan option that's right for you.

Whether you're looking to purchase a home, invest in property, refinance your existing home, build a home, consolidate your debt or pay off your current mortgage faster, we have the tools, experience, and options available to make it happen.

STEP 2: PROCESSING

We gather the required information to help you obtain your specific loan. We'll order any necessary services, such as an appraisal or preliminary title.

STEP 3: UNDERWRITING

Next, we underwrite your loan. One of our professional underwriters will carefully go through each document you submitted and verify the information. The underwriters' job is to make sure that all of the necessary information is included and each "i" is dotted and every "t" is crossed. At this point, you may be required to submit more documentation depending on your specific loan requirements.

STEP 4: FUNDING

Then, we schedule the signing of your loan documents. During the closing, you'll sign the final loan documents and the funding will typically occur in 24 to 72 hours.

STEP 5: CELEBRATE!

Lastly, we celebrate! Whatever your goal – saving money, buying your first home, retiring sooner – we celebrate the fact that we reached it!

To get started, **APPLY ONLINE NOW**, give us a call or stop by one of our branch locations today.
