Buy A House

✓ Save Energy

✓ Save Money

...It's That Simple!

Welcome to the newest and GREENEST home loan program from the Washington **State Housing Finance Commission.**

Apply Today!

HOME BUYERS SAVE TWO WAYS:

1. The Mortgage Rate and Down Payment Borrowers who buy an energy-efficient home, or make upgrades to an existing home at the time of purchase, have the potential to save .25% on their interest rate.* Plus, they can still qualify for our down payment assistance.

2. The Utility Bill

Utilities are among the hidden costs of homeownership. The more efficient the house, the more money saved.

HOME BUYERS WHO MAY QUALIFY:

- Household income under \$145,000
- Credit score at least 620
- Purchases either:
 - A new home that exceeds Washington State energy standards by at 15%** or
 - An older home that can be upgraded for 10% energy savings over it's current use.***

HOME LOAN

An energy assessment shows the most **VERGYSPARK** cost-effective upgrades for the home, and EnergySpark helps finance the work!

Contact **Debra** today to see if you may be eligible for an EnergySpark Home Loan or to learn more about available options.
